Rules Rent Control Act Unconstitutional

Curbs Not Off As Decision Is Appealed

Chicago, July 25—(AP)—The Federal Rent Control Act of 1949 was held unconstitutional today by a federal district judge.

But that doesn't mean controls are off now. The opinion will be appealed.

The opinion by Judge Elwyn R. Shaw was based on his finding that local option provisions for decontrol by states and municipalities set aside the power of congress by unlawful delegation of its authority.

Government To Appeal
Tighe E. Woods, federal housing expediter, said in Washington that the government "will naturally appeal" the lower court's finding.

Woods' Chicago attorney, William S. Kaplan, said he would move for the earliest possible review of the case by the Supreme Court.

In the meantime, the attorney said, rent control will continue in effect as far as the housing expediter's office is concerned, with full administration and enforcement.

Should the Supreme Court uphold Judge Shaw's ruling, rent controls would be entirely dead. There is slim possibility that congress may take any action to bolster the law during the present session. The act continues controls the law during the present session. The act continues controls until June 30, 1950.

Did Not Question War Powers
Judge Shaw said his finding did not question the war powers of congress, but whether "these war powers may be delegated to states, municipalities or other subdivisions of government."

The opinion said congress, in the local option clause, "attempted to leave the matter entirely open to arbitrary determination by each state or other subdivision to determine for itself whether or not it wants of needs rent control, and this is entirely without rules or guide posts of any kind."

"I can see no difference between this situation and one in which congress should pass a selective service law with the provision that any state which doesn't care to send soldiers may pass a law and say they did not choose to be involved, or an interstate commerce act with the provision that any state which chose not to be governed thereby could declare it self out."

Red-Held Shanghai 'Immobilized' By 150 MPH Typhoon

Tokyo, Tuesday, July 26—(AP)—A 150 mile an hour typhoon which ripped across Okinawa Saturday has "immobilized" communist-held Shanghai. U. S. Navy authorities reported today.

The Navy said most of Shanghai's streets were under two to four feet of water. There were two to four inches of water on the floor of the U. S. consulate. No mention was made of injury to U. S. personnel or Americans in the Chinese Metropolis.

A new storm which had been moving toward Okinawa swerved to the north during the night and passed over or near two Jima. Maximum wind velocity was reported at 70 miles an hour.

First arrivals from Okinawa told of serious damage. The army announced yesterday a seven year old American girl was killed and 16 persons injured. No new deaths were reported.

"Parts of the island were swept out," editor-publisher W. R. Matthews of the Tucson, Ariz., Daily Star said he was told at Kaneda Field, Okinawa. He paused briefly there early today enroute from Hong Kong to Tokyo.

1 Killed, 3 Hurt As Autos Collide At Intersection

Independence, Mo., July 25—(AP)—Mrs. Carmen Wilcox, 35, of Fort Smith, Ark., was fatally injured and three other persons suffered minor injuries in a two-car collision at a highway intersection here today.

Mrs. Wilcox died in an Independence hospital. Injured in the collision were Richard Hammack, West Frankfort, Ill., Howard Wiseman, 39, Herrin, Ill., and Harlan Matthews, 15, also of Herrin. Mrs. Wilcox's husband, Chet Wilcox, was not injured.

Officers said the two cars collided as the car driven by Hammack was moving along the highway and the other vehicle, driven by Wilcox, came onto the highway from a side street.

Says UN Employee Was Once Commie Courier

Washington, July 25—(AP)—A House Un-American Activities committee report today said a woman employee of the United Nations once acted as a courier for the communist party while working for the U. S. government.

The woman is Mrs. Mary Jane Keeney, 51, of New York. She has told the committee under oath that she was never a member of the communist party.

Mrs. Keeney, who works in the document control section of the U. N. secretariat, denied tonight she ever acted as a communist party courier.

In a statement issued at Lake Success she also repeated her previous denial of allegations that she is a communist. Mrs. Keeney resigned from the state department in July, 1946, and went with the U. N. about two years later. Her statement was issued through U. N. press department facilities, but she did not see newsmen when the statement was distributed.

Compromise Aid To Schools OK'd

COLD CASH LOST TO STICKY HANDS

Champaign, Ill., July 25—(AP)—Georgia Proctor told Champaign police today that money she placed in old storage is now warming some thief's pocket.

She said she put her purse containing \$30 in her refrigerator to make sure it was not stolen but some one found her hiding place.

41 German Police Desert Russ Zone For American Zone

Frankfurt, Germany, July 25—(AP)—Forty-one German police officers from the Russian zone have deserted to the American zone in the last month, American officials said today.

Twenty American zone border policemen have been abducted since the blockade of Berlin began in June, 1948, these officials said.

Thirty-seven of the policemen from the Russian zone cited fear as their reason for escaping, said Dale Noble, civil administration chief for the American zone state of Hesse.

All but three of the 20 American zone patrolmen abducted have been returned after short periods of detention, said Charles Covert, of the Hesse public safety branch.

8 Persons Seized In Crackdown On Numbers Racket

New York, July 25—(AP)—Eight persons were seized today in a three-day crackdown on a \$50,000,000 a year numbers racket which juggled published figures to deny its customers a break.

One of the men arrested, Anthony Strollo, alias Tony Bender, was described by New York District Attorney Frank S. Hogan as "one of the top underworld figures in the east."

Hogan said a Cincinnati, Ohio, clearing house official admitted juggling figures of his house to make it harder than usual for players to win from the ring.

Six other persons have been arrested in Newark, N. J., where New York and New Jersey authorities swooped down on what they called the headquarters of the ring.

Six others are being questioned, the district attorney said. Hogan said the ring drew its income from numbers players in many parts of the nation.

Each player selects a sequence of three numbers—any three digits—as his choice for the day.

The winning numbers each day were composed of the second and third digits from noon Wall Street bond figures.

TEN KILLED IN CRASH
Santiago, Chile, July 25—(AP)—Ten persons were killed and 18 injured when a bus plunged down a 30-foot embankment here today. The driver said he turned to avoid hitting a team of oxen.

REPORT FIRST POLIO DEATH
East St. Louis, Ill., July 25—(AP)—The first polio death of the year in East St. Louis was reported today. The victim, 23-year-old Richard L. Cassin of East St. Louis, died at St. Mary's hospital.

Mrs. Roosevelt Says She Does Not Hate Any Religion

New York, July 25—(AP)—Mrs. Franklin D. Roosevelt said today "I have no ill feeling toward any religion or toward any people of high or low estate because they belong to any religious group."

She replied thus to Francis Cardinal Spellman's charge that she has a record of anti-catholic discrimination "unworthy of an American mother."

Asserting she had always supported the late Alfred E. Smith, a Roman Catholic, Mrs. Roosevelt added in her newspaper column:

"I am sure the cardinal has written in what to him seems a Christian and kindly manner, and I wish to do the same."

The American civil liberties union, meanwhile, declared "an attack like Cardinal Spellman's on Mrs. Roosevelt will not advance the cause of religion or support the principle of religious tolerance."

"Such an attack" directors of the organization said in a resolution, "tends to discourage the fair public discussion of issues which merit fullest debate. It therefore deserves American Democracy."

Company Offers To Rehire Embezzler At Higher Salary

Long Beach, Calif., July 25—(AP)—A story to make you feel good toward your fellow man is today's tale of the embezzler and his sympathetic employer.

It's about Joseph R. Binns, 44, an accountant for two years with a motor company here. On July 1 he pleaded guilty to embezzling \$1,272 of his employer's money. He said that on a Saturday, June 25, after the banks closed, he took the money, went to the races at Caliente, Mex., and lost it.

Today Superior Judge Fred Miller placed Binns on probation for three years, sentenced him to 30 days which he has already served and mentioned he had a letter from the employer offering to rehire Binns at an increased salary.

Douglas Denard, vice president, verified the offer. He declined to disclose the salary or increase but said they'd place Binns in their Los Angeles branch, permitting him to make gradual restitution.

"He was a good man for us for two years, and just because a man falls off the log or ce it doesn't mean he's a confirmed thief," Denard said. "Besides, I know something about those Caliente races. He's lucky he didn't lose his shirt, too."

Monkey Business Interrupts Woman Doing Her Washing

Manly, Iowa, July 25—(AP)—It gave Mrs. Eldon Hungerford a bit of a start when she looked up from her washing to find an unexpected helper tending her year-old son.

The helper was a monkey. It was pushing the baby carriage which Mrs. Hungerford had parked in the back yard while she took laundry off the line.

Mrs. Hungerford grabbed the baby and ran into the house. The monkey sat in the baby carriage awhile and then opened the screen door and entered the Hungerford porch.

Soon the owner of the animal, a transient, appeared on the scene and claimed his pet. Calm returned to the Hungerford household.

Stevenson To Let Death Sentence Of Morelli Stand

Springfield, Ill., July 25—(AP)—James Morelli, 21, under sentence to die Aug. 12 in the electric chair, was denied clemency today by Gov. Adlai Stevenson.

Morelli was convicted of two murders in an orgy of shootings Dec. 12, 1947 which authorities termed the bloodiest spree since the St. Valentine's Day massacre of 1929. Three men were slain and two wounded and left for dead.

Specifically, Morelli was sentenced to die for the murder of Emil Schmeichel, 30. He was also convicted of murdering John Keuses, another of the three slain. His 199-year prison sentence in that slaying will be cancelled by his execution.

Convicted of the Schmeichel and Keuses murders also was Lowell Fentress, 20. He was sentenced to serve two 199-year prison terms consecutively.

U. S. BUYS 2 MILLION BUSHELS OF GRAIN

Washington, July 25—(AP)—The agriculture department reported today it bought 2,047,614 bushels of grain, mostly for export to shortage areas.

The purchases included 2,044,000 bushels of wheat and 3,614 bushels of rye.

This brought total department purchases since July 1 to 6,944,358.

Truman Asks 1.45 Billion In Cash To Rearm Europe

Lewis' 3-Day Week Is Denounced As Senate Opens Probe Of Coal

Washington, July 25—(AP)—John L. Lewis' decree of a three-day week in the coal fields was denounced at a senate hearing today as "confiscation" of private capital and as "a bold, overt act" to seize control of production and prices.

President George H. Love of the Pittsburgh consolidation coal company bluntly attacked the abbreviated work week as "confiscation." Senator Robertson (D-Va.) called it a move to dictate the coal industry's output and prices.

The Virginia senator and the coal company official aired their views as the senate banking committee, at Robertson's request, opened a full-scale investigation of the coal industry and of Lewis' United Mine Workers Union.

AFI President William Green, a one-time coal miner himself, accused Robertson of using the investigation to "prop up the tottering Byrd political machine in Virginia."

In the senate hearing, Robertson told the committee that congress never intended to give labor unions the right to control production "and thereby control prices" when it exempted unions from the federal anti-trust laws.

Beside the UMW, he cited the steelworkers, CIO Electrical Workers, CIO Rubber Workers, AFL Teamsters and other unions as examples of "possible labor monopolies."

Criticism of the miners' three-day week also came from President M. Moses of U. S. Steel's coal subsidiaries.

Cautioning that the power wielded by Lewis' miners could inflict "severe damage" on the industry, Moses said the UMW has shown "complete contempt" for laws designed to curb the upsurge of economic power attained by unions.

Moses told the committee: 1. The coal operators did not agree to a three-day work. It was forced upon them.

2. He does not think the three-day week is adequate and doesn't think the miners think so, either—particularly those in debt for a new automobile, house or deep freeze.

3. The UMW is going to demand more money, shorter hours and a bigger contribution to the miners' welfare fund in any new contract. The operators now contribute 20 cents a ton to the fund.

4. The three-day week will drive U. S. Steel to buy coal on the open market at a cost of \$20,000,000 to \$25,000,000 more than it would cost to produce in its own mines if they could operate on a "normal" week.

5. Other unions are going to seek the same type of treatment and benefits for their members that Lewis has "imposed" on the coal industry.

Dixie Demos Lose Round In Anti-Poll Tax Battle

FINDS HEADACHE IS CAUSED BY BULLET

St. Louis, July 25—(AP)—Little wonder that Weslie Brent, 36-year-old negro, has a headache. He complained to doctors today and they found a .32 caliber slug lodged between his scalp and skull.

Brent said he didn't know the bullet was there, although he vaguely remembered having been shot at in a tavern argument with another negro last Monday night.

Eastland Demands Spain Be Included In ERP Spending

Washington, July 25—(AP)—Senator Eastland (D-Miss.) today demanded that Spain be cut in on the European recovery program.

"It is impossible to have a strong Europe without a strong Spain," Eastland told the Senate.

He opened the fight of a senate group to have \$50,000,000 of foreign aid funds earmarked for the Franco government.

The argument came as the Senate amendments to the \$5,723,724,000 foreign aid bill. The Spanish loan authorization was written in by the senate appropriations committee.

Spain would be willing to buy 300,000 to 350,000 bales of American cotton, Eastland said, if she could obtain loans from this country.

The Mississippi senator accused the state department of "upholding the foreign policy of Soviet Russia" in refusing to give economic aid and full diplomatic recognition to Spain.

Make Device To Take Temperature 400,000 Feet Up

Chicago, July 25—(AP)—Scientists are building a very special thermometer.

This one will be used to record temperature some 70 miles above the earth's surface.

It is being built under supervision of Dr. Severin Raynor at the Armour Research Foundation, Illinois Institute of Technology.

The instrument, contained in a metal sphere, embodies three gyroscopes, 14 temperature sensors, and a camera unit for recording the data.

It is planned to send the instrument 400,000 feet up in a rocket. At that height, the sphere will be fired from the rocket like a cannon ball. The gyroscopes will keep it steady while the camera inside records temperatures during its fall.

Also Puts His Signature On Atlantic Pact

Washington, July 25—(AP)—President Truman asked Congress for \$1,450,000,000 in cash today to help arm foreign nations against Soviet Communism and thus ally fear which, he said, "haunts the world."

The bulk of the sum would be spent on this country's new allies in western Europe. "Their defense is our defense," he said.

"It must be made clear that the United States has no intention, in the event of aggression or allowing the peoples of western Europe to be overrun before its own power can be brought to bear."

Also Used For Turkey, Greece
The money also would be used to provide weapons for Greece, Turkey, and other countries.

The chief executive's appeal for prompt approval of the long awaited arms program was his second action of the day in the cold war with Russia. About two hours before his special message went to House and Senate, he signed and thereby formally ratified the North Atlantic treaty for the United States.

"This treaty is a historic step toward a world peace, a free world, free from fear, but it is only one step," he said.

Then, in his message to Congress, he urged another step—the arms program.

On Capitol Hill, administration leaders sought fast action on the request, although there was a disposition even among some Truman backers to scrutinize carefully the size of the sum sought.

'Should Be Rewritten'
And Senator Vandenberg (R-Mich.), G.O.P. foreign policy leader, said the president's program should be "rewritten and curtailed" if Mr. Truman expects action at this session of Congress.

Vandenberg said: "The president's emphasis on collective security is sound. But my first impression is that his program must be rewritten and curtailed to get action at this session. It is too wide in scope and too general in range of power. It ignores the machinery which the pact provides for its own implementation. Its statement of policy puts too much emphasis upon arms."

From Senator Lucas of Illinois, Democratic leader, came this comment: "I'm for an arms implementation program. It is up to congress, however, how much it wants to appropriate and I'm not passing on that in advance."

Senator Wheeler of Nebraska, Republican leader and critic of the North Atlantic treaty, said: "The president is asking for unlimited authority to send arms wherever he wants to send them. That is not the sort of program that was outlined to senators when they voted on the Atlantic security treaty. They were told the international defense committee would outline arms needs."

"There is no justification for the president's request."

State Polio Cases Now 30% Above 1946 Epidemic Year

Springfield, Ill., July 25—(AP)—The number of polio cases in Illinois is running nearly 30 per cent above the epidemic year of 1946.

Sixteen new cases were reported to the state health department today, raising the total this year to 21. This compares with 170 for the corresponding period three years ago and with 77 for the 1948 period.

The health department said Illinois areas hardest hit this month are Marion county (Centralia) with 33 cases, Cook county 30, Champaign county 9, Sangamon, Kane and Stephenson counties 7 each, and McHenry county with six.

Appellate Court Affirms Sentence Of Peoria Slayer

Chicago, July 25—(AP)—The U. S. circuit court of appeals today affirmed the death sentence conviction of Herman F. Weber, 23-year-old Peoria slayer.

The court granted him a stay until Sept. 16, to permit him to appeal to the U. S. supreme court.

Today's action was on Weber's appeal from a federal court order denying him a writ of habeas corpus. It was the latest round in a long, legal battle which previously had won Weber reprieves from two Illinois governors.

Weber originally was ordered executed March 21, 1948, for the murder of Flavell D. Fueger, a Bradley University student. Fueger was slain Dec. 3, 1947, in an automobile robbery attempt. His body was found in a slough near Lewistown, Ill., Dec. 15, 1947—12 days after he was reported missing.

Paternity Case Against Sabu Put Off Until May 2

Los Angeles, July 25—(AP)—A paternity case against Sabu Dastagir, 25, the movies' "Elephant Boy," was taken off calendar to await trial scheduled for May 2, 1950.

There had been a hearing set for today on an order on Sabu to show cause why he should not pay temporary support for the child of Miss Brenda Marian Juler, 23, London, ballet dancer. Her suit alleged Sabu is the father of her daughter, Michaela, born Sept. 12, 1949.

Sabu, who last Oct. 20 married 20-year-old Marilyn Cooper, has denied Sabu's charge, calling it "fantastic."

DIES OF INJURIES
Kankakee, Ill., July 25—(AP)—Henry L. Wallace, 62, of Clifton, died today of injuries suffered last night in a traffic accident in Kankakee.

Wallace was hit by an automobile driven by Raymond Buhrle, 22, of Bonfield, as he was crossing an intersection.

Also Puts His Signature On Atlantic Pact

Washington, July 25—(AP)—President Truman asked Congress for \$1,450,000,000 in cash today to help arm foreign nations against Soviet Communism and thus ally fear which, he said, "haunts the world."

The bulk of the sum would be spent on this country's new allies in western Europe. "Their defense is our defense," he said.

"It must be made clear that the United States has no intention, in the event of aggression or allowing the peoples of western Europe to be overrun before its own power can be brought to bear."

Also Used For Turkey, Greece
The money also would be used to provide weapons for Greece, Turkey, and other countries.

The chief executive's appeal for prompt approval of the long awaited arms program was his second action of the day in the cold war with Russia. About two hours before his special message went to House and Senate, he signed and thereby formally ratified the North Atlantic treaty for the United States.

"This treaty is a historic step toward a world peace, a free world, free from fear, but it is only one step," he said.

Then, in his message to Congress, he urged another step—the arms program.

On Capitol Hill, administration leaders sought fast action on the request, although there was a disposition even among some Truman backers to scrutinize carefully the size of the sum sought.

'Should Be Rewritten'
And Senator Vandenberg (R-Mich.), G.O.P. foreign policy leader, said the president's program should be "rewritten and curtailed" if Mr. Truman expects action at this session of Congress.

Vandenberg said: "The president's emphasis on collective security is sound. But my first impression is that his program must be rewritten and curtailed to get action at this session. It is too wide in scope and too general in range of power. It ignores the machinery which the pact provides for its own implementation. Its statement of policy puts too much emphasis upon arms."

From Senator Lucas of Illinois, Democratic leader, came this comment: "I'm for an arms implementation program. It is up to congress, however, how much it wants to appropriate and I'm not passing on that in advance."

Senator Wheeler of Nebraska, Republican leader and critic of the North Atlantic treaty, said: "The president is asking for unlimited authority to send arms wherever he wants to send them. That is not the sort of program that was outlined to senators when they voted on the Atlantic security treaty. They were told the international defense committee would outline arms needs."

"There is no justification for the president's request."

Dress Designers For Rich, Royal Begin London Show

London, July 25—(AP)—Dress designers for the rich and royal started today to show sweltering buyers what women will wear when it's much, much cooler.

It was the beginning of a week's job at the dollar-earning fashion market organized by the British board of trade.

Norman Hartnell and Molyneux featured extremes between almost too much color on top and hardly any top at all.

The fur flew wildly during the Hartnell show. He had it on everything, top and bottom and on the sleeves.

Molyneux's new features were huge collars that sloped down over narrow shoulders from the back of the head, and street-length evening dresses with cape-like overskirts that dragged over half the floor.

Last year's novel "maypole" skirt, made of wide independent stripes of satin and silk high up, were given some swirling variations.

WEATHER

The Norbury Sanatorium, cooperative observer for the U. S. Weather Bureau, yesterday reported the temperatures for Monday as follows: High, 90; low, 72; and at 6 p. m., 87.

Forecast for Illinois—Mostly fair and warm and humid today. High 88 to 95.

HOUSING BILL IS CONGRESS' MOST SIGNIFICANT ACTION

It may turn out that the passage of the new national housing bill will be the most striking—whether or not the wisest—action taken by this session of the 81st Congress. Here are some of the reasons the step is significant:

1. It is the only major domestic legislation thus far approved which is a part of President Truman's Fair Deal program.
2. Despite the fact that in a crucial test the measure was opposed by all but 24 Republicans in the House, the housing proposal drew heavy bipartisan support in the Senate and was essentially bipartisan in its origins.
3. The bill's approval climaxed a long, winding legislative history that began in 1944 and ended successfully only after two previous failures in the House in 1946 and 1948.

Few measures ever have had the exhaustive, intensive study accorded this housing legislation.

A special Senate subcommittee conducted eight months' investigation into every cranny of the housing field to start things off. Out of that inquiry came the first bipartisan bill, backed by two Democrats and a Republican, Senator Taft who had been a driving force in the hearings.

The Senate passed the program but the House shelved it in midsummer of 1946.

The following year a GOP Senate opened a new inquiry and this time the program got lost in the legislative shuffle on that side of Congress. Meantime, a new joint congressional committee was appointed to make still further studies.

Its recommendations were woven into a new housing plan for 1948. For the second time the Senate approved it and dispatched it to the House. And for the second time the House killed it.

This year the Democratic 81st tried again. The Senate gave the program its third endorsement, by a comfortable 57 to 13. But the House seemed likely to prove as tough a barrier as formerly. It took all the skill of House leaders to drive the measure through at last.

4. A key maneuver in steering it to House success was use of a new rule that allows the powerful rules committee to be by-passed when it has blocked debate on a bill it dislikes. The rule was invoked and, facing defeat, the rules group reversed an original negative stand to let the housing measure reach the floor.

This is the first time a major piece of legislation has been pushed to victory against the wishes of the dictatorial rules committee.

5. Adoption of the plan will mean the resumption of federal public housing efforts for the first time since before World War II.

Whatever the ultimate impact upon private housing, this phase of the program is admittedly a gigantic experiment in government assistance. It calls for 810,000 dwelling units in six years, with the government committed to annual subsidies of \$308,000,000 for 40 years to finance this low-rent venture.

Critics say this and the \$1,500,000,000 slum clearance feature make the bill too costly. They contend also that it means socialistic interference with private builders.

But subsequent Congresses have a check on funds for the program should it actually prove too expensive.

As for the argument about government interference, supporters of the new bill in both parties insist private builders have not shown they could erect houses cheap enough to meet the needs of low-income families. Taft, who is no radical, reluctantly decided after hearing months of testimony that only the government could fill that demand.

Until they can be proved wrong by facts rather than words, the earnest supporters of this program have earned a chance for their ideas.

After two home stands this year, Connie Mack managed the Philadelphia St. Louis Browns were 20,000 adolphia Athletics to their first paid admissions behind last year's pennant in 1902. He won eight other total pennants, the last in 1931.

Thrills-Chills-Spills

This is what the auto racing promoters mean when they banner their performances as supplying thrills—chills—spills. A Journal Courier photographer snapped this on the scene picture immediately after the racing car was pulled off Wally Powely at the Morgan county fair grounds Sunday afternoon. Powely crashed during the second event on the same turn that claimed Don Waverling's life during a motorcycle race a few weeks ago. Fortunately, the condition of the car belies the seriousness of the mishap. Powely, whose injuries are not serious, will be released from Passavant hospital in a few days.

Two Quincy Drivers Injured In Auto Races At Fair Grounds Here

Jacksonville auto racing enthusiasts who attended the Zingobad Grotto sponsored races on the Morgan county fair grounds track Sunday afternoon were supplied with the full quota of thrills and chills replete with spills. Two drivers, Al Ketter and Wally Powely, both of Quincy, Ill., flipped their high-powered racing cars off the half-mile dirt track. Neither racer was seriously injured.

Powely, piloting his own Bluebird Special, was the first to crash. Competing in the second event, the Quincy driver was turning the southeast corner of the track on the first lap when his machine struck a dip in the otherwise level runway. The Bluebird Special flipped high into the air, turned tail and landed bottom-side up. Powely underneath. He remained in the cockpit.

Suffers Concussion, Shock
An ambulance was dispatched to the scene immediately. First aid was applied to Powely who had been rendered unconscious by the crash. The extent of his injuries could not be determined immediately. He was taken to the Passavant hospital by Withe's ambulance.

X-rays disclosed no fractures and the attending physician diagnosed his injuries as slight concussion and shock. He will be released from the hospital in a few days.

Powely's mishap occurred on the same turn that Don Waverling's Quincy motorcycle racer suffered his fatal accident a few weeks ago. Both accidents have been attributed to a dip in the track.

Ketter Smashes Record
Al Ketter—veteran Quincy auto racer—cracked his brother Harold's record on the local track when he toured the oval in 27.14 seconds during time trials. Harold, his younger brother, established the mark at 28 flat last year. He followed up with a victory over brother's Beef and Harold in the first event.

Competing in the 15-lap feature race by virtue of his victory in the initial race, Ketter was leading the field with only a lap and a half to go when he suffered his accident. He and Johnnie Joy, former Chapin man now living in Quincy, were making the race a two-car battle. Both drivers, Ketter in the lead, were lapping the other contestants for the second time.

Trying to pass Clair Peterson, driving a black Ford, Number 10, forerson, Walnut; Bob Guss, Rock Island; Gil Gilpen, Peoria; time 1:37.64. Event 6, 15-lap feature—Johnnie Joy, Quincy; Clair Peterson, Walnut; Bob Guss, Rock Island; time, 7:39.85.

Joy Sets Hot Pace
Johnnie Joy, ex-Morgan county resident, turned in two successful performances during the afternoon. Joy, whose parents still reside near Chapin, won the second race, and came in first in the 15-lap feature after Ketter jumped the track.

The winners, complete to the first three places, include: Event one, 7 laps—Al Ketter, Quincy; Beef Ketter, Utica; Red Bellow, Moberly, Mo.; time, 3:29.24. Event two, 7 laps—Johnnie Joy, Quincy; Vern Bradley, Rock Island; Clair Peterson, Walnut; time 3:18.85. Event three, 7 laps—Russell Gross, Quincy; Owen Ailshire, Moberly, Mo.; Ken Ebbert, Roseville; time, 3:56.67. Event four, 3 laps—Red Bellow, Moberly; Beef Ketter, Utica; time, 1:58.89. Event 5, 3 laps—Clair Peterson, Walnut; Bob Guss, Rock

Police Sponsor Boys At Camp Illinek

Boys have no reason to fear police officers if they behave themselves. The average police officer is a friend of youth, a man in whom youngsters can place confidence. Jacksonville Unit 25 of the Policemen's Benevolent and Protective Association has shown its interest in young people by sending four boys to Camp Illinek at Lake Springfield this week. A number of police officers will be on hand to serve as instructors and counselors of the boys. The Jacksonville delegation to the camp is shown as the boys prepared to leave Sunday for Springfield. In the picture, left to right, are Patrolman Cloyd Wilson, David Claus, Jr., Patrolman Arthur Lee Woods, Fred Goodey, Jr., Patrolmen Charles Runkel, Bob Staples, Gary Curtis and Chief Frank Kiloran. A number of other police departments are sponsoring groups in attendance at the Springfield camp July 24-30.

Some Little Known Facts About Beer

By Hal Boyle

New York—(P)—Guess what Noah took into his ark—besides people—that also rode in the Mayflower and sojourned the Pilgrims.

Beer!

Yes, sir, and beer also went to the South Pole with Rear Admiral Richard E. Byrd on his Antarctic expedition in 1939.

These and other little known facts about beer have been compiled by the United States Brewers Foundation. They have been set forth in a little pamphlet designed to let the common man know what's behind the foam in his glass.

It shows that a gent who sidles up to the bar and says "pull one" isn't simply ordering a cooling drink. He's bending elbows with history.

Beer As Old As Farming

Why, it says here, beer has marched step by step with man in his upward march since the dawn of time. Beer is as old as farming and has played a bubbling role in war, science, cooking, medicine and the development of a hundred modern industries.

Here are a few facts uncovered by the industry's scholars:

A mesopotamian seal, backed in pottery and showing two workers at a brewery vat, proves beer was known 6,200 years ago.

When Christopher Columbus came to Central America in 1502, he found beer had traveled here before him. The Indians were escaping from the heat with "a sort of wine made of maize (corn), resembling English beer."

The phrase "mind your P's and Q's" is thought to have sprung from the old English tavern-keepers' custom of noting down customers' orders—by pints and quarts.

William Penn Had A Brewery

John Alden, who wooed and won Priscilla, Mullen, got passenger space on the Mayflower because he was a cooper and could repair the beer barrels aboard.

The first white child born in New York City, Jean Vigne, became a brewer in what is now Wall Street. William Penn, the Quaker, built a brewery next to his manor house.

Soldiers in the American Revolution drew a quart of beer each in their daily rations. When the supply

ran short George Washington begged the board of war in 1777 to rush the growler for more.

Washington himself drank beer. Other members of this early day "men of distinction" club were Samuel Adams, a brewer himself, Thomas Jefferson, Patrick Henry, Israel Putnam and James Madison.

Studies Bubbles In Vat

How did Joseph Priestly evolve his theory on the life-giving qualities of oxygen? By studying bubbles rising to the surface of a beer vat.

Where was the first air-conditioning plant installed in America? In a brewery in Alexandria, Va., in 1880.

In 1810, the first year for which production figures are available, the American population of 7,239,881 drank 182.60 barrels of beer and ale, or 0.78 gallons per capita.

In 1948 the population had risen to 146,114,000, the consumption to 86,992,795 barrels, or a per capita record of 18.5 gallons. The industry now figures its employees 80,000 persons, buys \$300,000,000 in farm products each year, pays out almost as much in salaries and some \$900,000,000 in taxes.

Whether these figures will give the average beer drinker pause for thought or not, he will be interested in one thing. Beer during the American revolution sold for about 10 cents a gallon.

"But by today's standards it was not too great a bargain," says the Brewers' Foundation. "It usually was heavy, cloudy and lacking in sparkle."

About 800 pounds of finished steel per person are produced in America each year for domestic use.

Ways to Save

If you were a Tahitian native you would "save for a rainy day" by sun drying sea cucumbers, or rori, which have a ready market in China for use in making soup. Rori are thumb sized and shaped jelly fish that have such a powerful smell when being dried that they must be kept "down wind" from the village. They are very tough when dried and require hours of cooking, but are said to have a marvelous flavor.

WHITE HALL

White Hall—A supper party was held recently in the home of Mr. and Mrs. Roy Anderson with Mr. and Mrs. Leroy Jones and Mr. and Mrs. Sheldon Clark and the Anderson family in attendance. The occasion was the 36th birthday anniversary of Leroy Jones and the third birthday anniversary of Becky Anderson.

Mr. and Mrs. Albert Jones and family of Normal, are spending a two week vacation with his brother-in-law and sister, Mr. and Mrs. Clarence McMullen.

Willard Arnold of Nameoki is visiting his mother, Mrs. Oscar Sweetin, and other relatives.

Mrs. Lucille Clark has returned to Passavant hospital for further medical care.

Miss Ruth Hitch and Mrs. Lela Hubbard have been chosen as delegates from American Legion auxiliary unit No. 70 to the state convention of the auxiliary in Chicago August 5 to 7.

Mr. and Mrs. C. A. Dornedon and Mr. and Mrs. James Jolley left on Sunday for a trip to Niagara Falls and Canadian points.

Mrs. J. D. Shewmaker and daughter, Shirley, left for an extended visit with relatives in Geneseo, Kan.

Superintendent and Mrs. W. A. Knook left for a vacation trip through New England states and Canada.

The officers and committees of the Highstreet homecoming planned for Aug. 14, met at the home of C. R. Painter recently and made preliminary plans for their annual homecoming for teachers, pupils and patrons of the Highstreet school. Further plans will be announced later.

SOCIAL SECURITY AND YOU

(This series of questions and answers is prepared in order that you may be better informed about the operations of Federal Old Age and Survivors Insurance. Additional questions should be directed to the Social Security Administration at Springfield, Mrs. Margaret Chapin, Social Security Representative, is in Jacksonville each Thursday morning at 10 o'clock at the U. S. Employment office.)

Q. Can I get back the social security taxes I've paid? I'll be 65 years old next month. I had hoped to get social security when I was 65, but I haven't worked quite ten years under social security. I only worked about eight years under social security and now I'm not able to work anymore. I think I should get back my taxes.

A. You can't get your taxes back, but you probably can get monthly retirement benefits when you're 65. Not all workers must have 10 years work under social security to qualify for payments. Only those who were under 45 years of age when social security started in January, 1937, need as much as 10 years work to qualify. You need to have worked only about one-half as many years as there are between January 1, 1937, and the date you become 65—about 15 years in your case. You should get in touch with the Social Security Administration office in Springfield to find out about filing a claim for monthly payments.

Q. I've been getting unemployment compensation for a couple of months now and someone just told me that I could get social security too. I'm 62 years old and I've worked under social security since it started. I thought I had to wait until my unemployment compensation ran out—can I really get my social security now?

A. You can get your social security payments right away if you ask for them. Getting them won't affect your rights to unemployment compensation under the Illinois Unemployment Compensation Act. Unemployment benefits and social security payments are paid under two different laws, and Illinois workers who are entitled to both kinds of payments can get both at the same time.

Q. Is there any way I can check up on my social security? I'm a carpenter and I've worked for a lot of different firms. I'm not sure if they all reported my wages. If I remember right, a couple of them didn't ask for my social security number. I want to be sure of getting all that's coming to me when I'm 65.

A. You can find out just how much wages have been credited to your social security account by asking the Social Security Administration for a statement. There is a special post card for this purpose. Ask for it at the Social Security Field Office at Springfield, Ill. Fill out the form and mail it. Within a short time, you'll get a statement of your social security account. If there is an error, the social security office will help you get it corrected. Every worker should check on his security account. He may do this as often as once a year and should do it at least once every four years. This is because some mistakes can't be corrected if they aren't reported within four years.

CHANDLERVILLE

Chandlerville—Mrs. Logan Perry of near Jacksonville visited here recently with her sisters, Mrs. Archer Tuecke, Mrs. Lee Griffen, and Miss Lucille Garner.

Rev. and Mrs. William Wudel of Kennan, Wis. are visiting friends in the city. Rev. Wudel was formerly pastor of the local Salem Lutheran church.

George Vollmers attended a demonstration sponsored by the Springfield Produce company recently at Springfield.

John Young, son of Mr. and Mrs. Robert Young, is spending a 30 day leave from his duties with the U.S. Navy at the home of his parents. Young is stationed at present in Astoria, Ore.

Mrs. Elizabeth King, who suffered a paralytic stroke recently, entered Proctor hospital in Peoria Monday.

Mr. and Mrs. Earl Wilson of Springfield, Ver. are spending a few weeks here at the home of Mrs. Wilson's parents, Mr. and Mrs. Lewis Carlock and other relatives.

Albert DeFreitas Dies Sunday At Nursing Home

Albert DeFreitas, 90, a lifelong resident of Jacksonville, died Sunday afternoon at 4 o'clock at the Green Nursing Home on East Beecher avenue where he had been a patient for more than two years.

Mr. DeFreitas was a plasterer by trade and followed that occupation until he was forced to retire because of ill health.

He was born in this city May 10, 1859, the son of Emanuel and Mary DeFreitas. His entire life was spent in this city.

Mr. DeFreitas has held membership in the Bricklayers and Plasterers International Union for more than 50 years.

He is survived by one sister, Mrs. Jennie Morris of Janesville, Wis. He also leaves several nieces and nephews and cousins residing in Jacksonville.

Mr. DeFreitas was preceded in death by his parents, two brothers, John K. and Antonio DeFreitas, two sisters, Mrs. John E. DeFreitas and Miss Matilda DeFreitas.

Funeral services will be held Wednesday afternoon at 5 o'clock at the Cody & Son Memorial Home with the Rev. C. Frank Janssen, pastor of Northminster Presbyterian church officiating.

Burial will be in Eastview addition, Jacksonville cemetery.

The family will meet friends at the funeral home Tuesday from 7 to 9 p. m.

DOUBLE EAGLE STAMPS TUESDAY—HOPPER'S

Jacksonville One Of Dozen Cities To Get Hospitals

Springfield, Ill., July 25 — (AP) — Twelve communities are expected to come into Illinois' long range hospital construction program in the next two years.

They will share in \$3,000,000 state aid for their new hospital projects.

The hospital program, started in 1947, is dictated largely by the amount of money a local area can raise toward its project.

The 12 communities, and their hospital bed needs listed by state health officials, are:

Metropolis 54, Herrin-Marion-West Frankfort 380, Chester 50, Robinson 100, Vandalia 150, Taylorville 63, Effingham 54, Olney 100, Clinton 12, Lincoln 100, Pekin 165 and Cicero 283.

A community entering the program must be able to raise funds to finance at least one-third of the cost. State and federal money does the rest.

The state money is made available in a \$52,000,000 omnibus state building program signed into law last week.

Community participation in the program is based on hospital needs, with top priority going to areas with inadequate facilities.

Fourteen projects were started under the program since it opened. When they are completed, they will reduce the state's deficit of about 39,600 hospital beds by almost 1,000.

Projects underway are at Red Bud, Mt. Carmel, Cairo, Carlinville, Jacksonville, Carmi, Carthage, Aledo, Flora, Lawrenceville, Fairfield, Anna, and Mt. Vernon. All are hospital projects and a tuberculosis sanitarium is under construction at Mt. Vernon, also.

Births

Mr. and Mrs. Bobby Vaniter, rural route six, Jacksonville, are parents of a daughter born Monday at 2:50 a. m. at Passavant hospital.

Mr. and Mrs. Ward Petefish of Alexander are parents of a daughter born Sunday at 1:34 a. m. at Passavant hospital.

A son was born to Mr. and Mrs. Clyde West, 5 Crescent Parkway, Sunday at 4:30 p. m. at Passavant hospital.

A son was born Monday at 12:59 a. m. at Passavant hospital to Mr. and Mrs. Walter Mansfield, 902 Doolin avenue.

Mr. and Mrs. George Coffman, 376 South Mauvaisterre street, are parents of a son weighing eight pounds, four and three-fourths ounces, born Saturday at 9:43 a. m. at Our Saviour's hospital.

A daughter weighing ten pounds, eight ounces, was born at Our Saviour's hospital Saturday at 2:30 p. m. to Mr. and Mrs. Frank Clancy, 120 North Prairie street.

Local Man Oldest Person To Attend Lippert Reunion

Fred Lippert of this city was the oldest person present at the 17th annual Lippert family reunion, held at Nichols park. The youngest person attending was Earl Lacey, son of Mr. and Mrs. Aurel Lacey of Manitowish.

Following a basket dinner, a short business session was held, during which officers for the coming year were elected. Those named were: Aurel Lacey of Manitowish, president; Bud Ganson of Havana, vice president; Mrs. Walter Ahorn of Meredosia, secretary-treasurer; and Clarence Nickel of Arenzville and LeNora Bocker of Oakford, historians.

Those present were Mr. and Mrs. Aurel Lacey, Lee Roy and Earl of Manitowish; Miss Flossie Lippert of Concord; Mr. and Mrs. Walter Ahorn of Meredosia; Mrs. Lena Linder of Chandlerville; Mr. and Mrs. James Shirley; Mr. and Mrs. Newton Lippert; Mr. and Mrs. H. M. Ganson; B. J. Ganson, Doris M. Ganson and Luella Shirley, all of Havana; Mrs. Marcella Lippert and sons, Max and Richard, and daughter, Charlene, Mr. and Mrs. John Nickel and Mr. and Mrs. Clarence Nickel and sons, Don, Elmer and Jim, all of Arenzville; Mr. and Mrs. Ernest Oest and son, Ernest, Mr. and Mrs. Charlie Lippert and Leslie Lippert of Bath; Fred Lippert of Jacksonville; Mr. and Mrs. Elmer V. Nickel and daughter, Linda, of Decatur; Mr. and Mrs. Edison Bocker of Oakford; Mr. and Mrs. Gilbert Draker, Jr., and daughter, Dixie Lee, and Mr. and Mrs. G. C. Drake of Pekin, and Mr. and Mrs. William Lippert of Canton.

Next year's reunion will be held on the second Sunday in July at Riverfront park in Havana.

The Fun Begins at your own Front Door

Know a nice cool spot where you'd like to be if it weren't quite so far away?

Got a wooded lake in mind, a sandy beach, a gorgeous mountaintop, where you'd love to be—if it weren't a long day's drive to get there?

Well, pick up your phone and get your reservations in!

For not far away is a Buick dealer with a gorgeous new beauty with Dynaflo Drive—and what that does.

*Standard on ROADMASTER, optional at extra cost on SUPER models.

To vacation fun you're going to find hard to believe.

For Dynaflo makes the going as much fun as being there. Travel time is no longer "time out"—but part and parcel of your vacation.

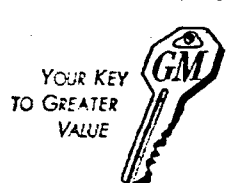

And no wonder! Every mile is cushioned in the sweetness of smoothly flowing oil. Gearshifting is something you forget about—traffic a mere matter of manipulating the gas-treadle and brake.

Even back-seat passengers feel a brand-

new comfort, free of jerk and jar and the harshness of direct gear drive.

So you end the day finding you've come farther—and feel fresher. Far from being just "another transmission," you find that Dynaflo is a whole new way of driving—a delightful way much too good to miss.

But—go see for yourself! That Buick dealer is ready to demonstrate—ready to make prompt delivery—ready to take your order this very day.

BUICK Roadmaster
WITH DYNAFLO DRIVE

BUICK alone has all these features

Silk-smooth DYNAFLO DRIVE • FULL-VIEW VISION from enlarged glass area • SWING-EASY DOORS and easy access • "LIVING SPACE" INTERIORS with Deep-Cradle cushions • Buoyant-riding QUADRIFLEX COIL SPRING • Lively FIREBALL STRAIGHT-EIGHT POWER with SELF-SETTING VALVE LIFTERS plus HI-POISED ENGINE MOUNTINGS • Low-pressure tires on SAFETY-RIDE RIMS • Cruiser-Line VENTIPORTS • DUREX BEARINGS, main and connecting rods • BODY BY FISHER

*Standard on ROADMASTER, optional at extra cost on SUPER models.

NO LAXATIVES NOW—SAYS HAPPY 79-ER!

"Had to fight constipation the last 50 years. Nothing helped. Then I got wise to eating KELLOGG'S ALL-BRAN every morning. Almost at once I had results. No laxative for last 5 months!" writes 79-year-old Mr. J. Wenig, 7723 So. Mich. Ave., Chicago, Ill. One of many unsolicited ALL-BRAN letters. Are you constipated due to lack of bulk in the diet? Tasty ALL-BRAN may help you. Eat an ounce daily, drink plenty of water. If not satisfied after 10 days, send empty box to Kellogg's, Battle Creek, Mich. DOUBLE YOUR MONEY BACK!

Last Rites Held For Eugene Price

Services in memory of Eugene Price were held at the Williamson Funeral Home on Sunday at 2:30 p. m., with Rev. John Collins officiating. Mrs. Warrington Kent was the organist. The floral tributes were cared for by Mrs. Lillie Gillespie and Mrs. Marie Dieckamp. The pallbearers were William Hayden, Robert Miller, Charles Jordan, Leo Spaulding, William Angelo and Joe McSherry. Burial was in Diamond Grove cemetery.

Up to \$12.95 Cotton dresses, chambrays, voiles, gingham and cords \$5.00. EMPORIUM

Conduct Sunday School Laboratory

Eight officials of the Sunday School Laboratory sponsored by the Methodist church, which is in session this week at MacMurray College, are shown as they prepared to assume their duties at the opening session Sunday. More than 100 delegates are in attendance. Left to right in the front row are Mrs. May Sigler, Sargent, Neb., Miss Vesta Towner, Kansas City, Mo., Mrs. Mabel Niedermeyer McCaw, Grand Island, Neb., Mrs. Ethel Cassidy, Lodi, Ohio, and Mrs. Phyllis Schweitzer, Peoria, Ill., instructors in the various departments; rear row, Dr. Charles H. Thrall, Bloomington; Dr. Lowell B. Hazzard of Illinois Wesleyan University, dean of the school; Rev. James J. Gross, Princeton, Ill.

William Walter, Carrollton Native, Dies In St. Louis

Carrollton—William Walter, 60, died Sunday at 3:30 p. m. at the Jefferson Barracks hospital in St. Louis, Mo., where he had been a patient since March 29. A native of Carrollton, Mr. Walter was the son of Mr. and Mrs. Henry Walter. On March 24, 1920, he was married to Lorraine Bushnell. Mr. Walter had resided in Carrollton for the past eight years, seven years of which he was employed by the Western Cartridge company of East Alton. He was a veteran of World War I and a member of the American Legion.

Surviving are his wife; two brothers, Dr. Fred Walter and Arthur Walter, both of Carrollton; and three sisters, Mrs. Geneva Warscheid of Maplewood, Mrs. Chris Goedey of St. Louis and Mrs. Mildred Heavely of Munster, Ind. The body is at the Mehl Funeral Home in Carrollton. Funeral arrangements are incomplete.

Jerseyville Club Will Visit Opera

Jerseyville—Members of the Jerseyville Business and Professional Women's Club are sponsoring a trip to the Municipal Opera in St. Louis on August 23 to see "Song of Norway." This will take the place of the August meeting of the club. Those desiring tickets for the Opera should contact a member of the opera committee composed of Mrs. Beatrice Brewster, Mrs. Theo Ryan, Miss Doris St. Peters, and Miss Celia Sinclair, by August 1. At the September session of the club the "Secret Friends" of the past year will be revealed. Plans will also be discussed for a money-making project to be given in November to raise money for the Celia Howard Scholarship Fund. The Jerseyville club will be hostesses to the Business and Professional Woman's Clubs of District No. 9 in October.

CALIFORNIA GUESTS
Mr. and Mrs. Ernie Woodard and son, Davy, of Pacific Grove, Calif., are visiting relatives here and in Manchester and Havana. A family picnic will be held Tuesday at 6:30 p. m. at Nichols park. Those attending are asked to bring a basket supper and table service.

1/4 OFF on all Boys' Sport Shirts, short or long sleeves, sizes 2-20. Boys' department, downstairs. MYERS BROS.

Wreck Victim's Jaw Fractured In Two Places

The condition of Lloyd Bain, 25-year-old resident of Patterson, Ill., was reported as satisfactory Monday at Passavant hospital where he was taken Saturday night after suffering severe injuries in an automobile and truck collision east of Waverly. Bain sustained two fractures of the lower jaw and severe friction burns on his arms, legs and head. His injuries are serious but his condition is not believed to be critical. Bain was injured when Joe Morgan of Roodhouse, who was driving Bain's 1939 Dodge car, is reported to have lost control of the machine and collided with the side of a truck. The automobile rolled over several times and was almost demolished. The Patterson man was hurled out of the car on the highway. Morgan received only minor injuries. Bain was brought to Jacksonville to the hospital in the Wiles ambulance. He was attended by Dr. Ellsworth Black. Bain is an employee of Central Illinois Public Service Co. The accident occurred on the second curve east of Waverly on State Route 104. The truck did not overturn but was considerably damaged.

CHARLES TAVENDER TO TEACH SCHOOL

The big, beautiful Kaiser Traveler

2-cars-in-one...

only **\$2088***

For Traveling Salesmen: Big, 10-foot long cargo hold has ample room for bulky samples; 123 1/2" wheelbase ends "short car fatigue."

For Farmers: Kaiser Traveler is world's only Sunday-go-to-meeting, Monday-go-to-work car. Hold is steel-shod for rugged wear.

For Retailers: Smartest-looking delivery car in town! Powerful Kaiser Thunderhead engine saves gas with 7.3-to-1 high compression ratio.

For Small Businessmen: Cargo capacity of Kaiser Traveler: 130 cubic feet, with 3 passengers. Converts in just 10 seconds into a smart six-passenger family sedan, with 10 1/4" of roomy, comfortable seating space.

For Vacationers: Ample room for all the family's luggage and sports gear. At night, becomes a roomy double bed, snug and dry always.

For Suburbanites: To change from smart sedan to cargo cruiser, fold down back seat, flip open hatch, lower tail-gate. No tools, no bolts.

For Everyone who wants the prestige of owning a big, beautiful, luxurious sedan, but needs a car that can also earn its own way.

* Factory delivered and equipped. Federal tax paid. Transportation, local taxes (if any) add'l.

Ask your neighborly Kaiser-Frazer dealer for a demonstration!

A stone partition which was built last week was pushed over while the cement was still wet. A number of windows were shattered and the pneumatic tires of 30 wheelbarrows were slashed. A water fountain built into the wall was hammered and badly damaged.

According to a report made to the sheriff's office by officials of the district and the contractor, Hugh Gibson, the vandalism occurred Thursday and Friday nights of last week.

The building has not yet reached the stage of construction so that it can be closed. The vandals sneaked into the building and are believed to have remained there some time, smashing equipment and marring the interior of the building.

Markets At A Glance

New York, July 25—(AP)—Stocks—Higher; market resumes rally.
Cotton—Irrregular; mill buying, liquidation.
CHICAGO: Wheat—Firm; mill buying. Corn—Firm with wheat. Oats—Steady; fairly active trade. Soybeans—Strong; new seasonal highs.

CHICAGO LIVESTOCK MARKET REPORT

Chicago, July 25—(AP)—Hogs were steady to 25 cents lower, cattle mostly weak to 50 cents less, and sheep steady in today's livestock trading.

Good and choice barrows and gilts weighing 270 pounds and below sold from \$21.25 to \$22.25 and a sparingly-paid top of \$22.35. Heavier weights were scarce. Sows took mostly \$13.00 to \$19.50 and a top of \$19.75.

Choice steers topped at \$28.00 and choice heifers at \$27.50. Most good to choice fed steers took \$23.00 to \$27.50 and medium to low-choice heifers \$22.00 to \$26.75. Good beef cows topped at \$19.50, bulls at \$22.50, and vealers practically at \$23.00. The only odd head of the latter reached \$26.00.

Native spring lambs set an extreme top of \$25.00 but most ranged downward from \$26.00. Salable receipts included 11,000 hogs, 15,000 cattle, 500 calves, and 500 sheep.

Chicago Cash Grain

Chicago, July 25—(AP)—Cash wheat: No. 3 red 1.91-1.95; No. 4 1.88. Corn No. 1 yellow 1.40-1.41; No. 2 1.40-1.41; No. 3 1.38. Oats: No. 1 heavy mixed 67-68; No. 1 mixed 65; No. 1 heavy white 67-69; No. 1 white 64-67; No. 1 heavy white 67; No. 2 white 64-67; No. 3 heavy white 66. Barley nominal; malting 1.08-1.12; feed 80-1.06. Soybeans: none.

New York Stock Market

New York, July 25—(AP)—The stock market picked up the thread of a summer rally today.

Gains of fractions to around a point were posted for a wide variety of issues. There was a good handful of holdouts but the trend was definitely upward.

A fair amount of business was done with turnover at the rate of around 900,000 shares for the full session. Corporate bonds moved narrowly.

East St. Louis Livestock

National Stockyards, Ill., July 25—(AP)—(USDA)—Hogs 12,500; market fairly active; barrows and gilts steady to 25 higher than Friday's average; sows 25 to mostly 50 higher; some heavier weights up 55 cents or more; bulk good and choice 180-240 lbs. \$22.00-25; top \$22.50 for about two loads; 240-270 lbs. mostly \$21.00-22.00; 270-290 lbs. \$20.00-21.00; 140-170 lbs. \$19.50-21.75; 100-130 lb. pigs mostly \$17.50-19.75; good sows 400 lbs. down \$16.75-18.25; few \$18.50; heavier weights \$12.50-16.50; mostly \$12.75 up; stags \$10.50-13.00.

Cattle 6500; calves 1700; choice 878 lb. mixed yearlings \$27.50 and 735 lb. heifers \$27.00; other good heifers and mixed yearlings largely \$25.00-26.50; cows slow; some canners and cutters about steady from \$11.00-15.00; little done on others; bulls around 50 lower; medium and good \$18.00-20.50; cutter and common \$16.00-17.50; vealers \$1.00 lower; good and choice \$22.00-26.00; common and medium \$18.00-21.00.

Sheep 3000; little done early; few good and choice springers \$24.00 to butchers but not enough to establish market; slaughter ewes steady, mostly \$6.00-8.50; old bucks \$6.00.

Soybeans, Wheat Pace Commodity Price Upturn

Chicago, July 25—(AP)—Soybeans and wheat paced an upturn in prices on the Board of Trade today.

Wheat got off to fast start, jumping around a cent at the opening. Aggressive mill buying caused the upward thrust. Fairly large flour sales were made over the week-end to the bakery trade.

Soybeans spurred several cents with general commission house buying a factor in the advance. Large made substantial gains in fairly brisk dealings. Corn, oats and rye all moved higher, although their gains were not as large as elsewhere.

Receipts were: Wheat 455 cars, corn 339, oats 29, rye 23, barley 39, soybeans 6.

Wheat closed 1-11 higher, September \$2.06 1-1, corn was 2-11 higher, September \$1.29 1-1, oats were 2-1 higher, September 66 1-2, rye was 1 lower to 1 higher, September \$1.56 1, soybeans were 4 1-2 to 6 cents higher, November \$2.29 1-1, and hard was 8 to 15 cents a hundred pounds higher, September \$11.52-11.50.

A new soybean product is said to be a glue which becomes waterproof when heated.

Ashland Girl Killed In Auto-Truck Collision

Ashland—Mary Edith Riley, 9-year-old daughter of Mr. and Mrs. Ernest Riley of near Ashland, was killed instantly about nine o'clock Monday morning in an auto-truck accident which occurred on a gravel road south of Pleasant Plains.

The child's grandfather, Rev. Lester E. Riley, a semi-retired Baptist minister, was critically injured. He was taken to Memorial hospital at Springfield, where he remained in an unconscious condition late Monday night.

The car driven by Rev. Riley and a truck driven by Walter Allen of Tallula collided at the Reuben Boynton crossroads. The car was struck on the right side where the child was sitting.

The driver of the truck was not reported injured.

The child's body was taken to the Hensley Funeral Home at Pleasant Plains. Funeral arrangements have not been made.

An inquest is planned.

We aim to take CARE of our own...

... the way any proud parent does. And we see to it that our service is one of the extra satisfactions of owning a beautiful Chrysler. We train good men to put as much pride and craftsmanship into servicing your car as the builders put into building it. We use only factory engineered and inspected replacement parts, that are identified by the trade name MOPAR. After all, as we see it, it's our business to keep your Chrysler as sweet-running, exciting and wonderful as on the day you bought it.

E. W. BROWN
406 S. MAIN ST.

Now... Chrysler Offers

1—Safer Driving! Through the years, the greatest advances in safety came to you first from Chrysler. Now there's a new advance in steering... Chrysler's "center control" steering! Your days of fighting a wheel are over. There's greater road stability, easier handling, less road shock. Even the leather covered foam rubber Safety-Cushion dash, and the new "Bulls-Eye" headlight lenses are designed to give you extra protection.

2—Safer Design! Now the engineers introduced the first all-steel car bodies have developed a still safer body and frame design—23" more rigid. You have full control of your automatic gear shifting car. With Prestomatic Fluid Drive Transmission, the Safety Clutch enables you to take over in emergencies, select the gear you need.

3—Safer Vision! When Chrysler engineers introduced the first 4-wheel hydraulic brakes 25 years ago—they brought to the automobile industry a new idea. It is the idea of car design that begins with safety, then builds beauty, comfort, performance! You can't possibly appreciate the difference until you drive this car. Find out how much more confident you feel in this Chrysler with its mighty High Compression Spitfire engine.

Dealers Clinch League Crown, Whip Moose 4-2 Ruh And Durocher Win

The Implement Dealers continued to play an inspired brand of softball as they bumped the second-place Moose nine 4-2 in a league contest at the Southside park last night to virtually assure themselves of top spot in the "A" league standings.

The win marked the ninth successful league appearance that the Dealer outfit has made at the Southside park. They have suffered only a single set-back, that at the hands of Myers Bros. early in the season. They have one loop game remaining on their schedule, a rain-out contest with the Elks.

The game was not by any stretch of the imagination a walkaway for the Dealer aggregation. Pete Lynn, twirling for the Moose, was very stingy with the hits. He allowed the dealer batsmen to peck away, setting a single run in the first, picking up another loner in the third and finally putting the game

Squires Make Short Work Of Stoner's Restaurant Nine

The Squire kid softballs sped to a 4-2 win over Stoner's Restaurant gang in 55 minutes at the Northside park last night. The Trinity juniors eked out a 10-9 victory over Our Saviors in the National League preliminary.

Blesse pitched the Squires to their seven-inning record breaking win over Stoners. Long twirled for the losers.

Jack Bote underhanded the Trinity club to its curtain-raiser win. Wagner pitched for Our Saviors.

Mr. and Mrs. John J. White.

National Junior Golf Tournament Opens Wednesday

Washington, July 25.—(AP)—Hopes ran high among more than 100 youngsters today as they prepared to face each other in the national junior golf tournament.

The under 18-classic opens here Wednesday at the 6618-yard, par-72 Congressional country club.

All but a few of the juvenile golfers already are sounding out the local layout with 18 and 36 hole practice rounds.

The first round field of 128 qualified for the meet in medal play at 38 sectional tournaments throughout the country last week.

The tourney — officially called "the national junior amateur championship of the United States Golf Association" — is a seven round, four day match play affair with the two finalists meeting for the 1949 title Saturday afternoon.

Fully 84 per cent of the weight of an average passenger automobile is steel.

Cardinals And Brooks Battle To 4-4 Tie

Brooklyn, July 25.—(AP)—The clock called a halt to the National League pennant race today, leaving the St. Louis Cardinals and Brooklyn Dodgers locked in a 4-4 tie. Their game had to be called at the end of nine innings for the teams to make train connections.

By mutual agreement between the two top contenders, no new inning was to start after 3:00 p. m. (CST) because both the Cardinals and Dodgers had to hustle west for tomorrow's games. When the last Dodger out was recorded in the last of the ninth, with two men left on base, it was 2:11 p. m. (CST). Extra innings were out of the question.

The Cardinals, who swept the first three games of the series to snatch the league lead by a half game, rallied to save their slender margin in a three-run sixth inning. Up to then it looked as though the Brooks might start their third western swing in first place.

St. Louis is scheduled to play a night game at home against the Phillies tomorrow night and the Dodgers must make an early train to get to Chicago in time for tomorrow's afternoon game. Today's game, originally scheduled and rained out May 10, will be fitted into the Cardinals' final eastern swing in late August.

The game was carried out to the final out when Spider Jorgensen delivered a pinch single off Fred Martin, fourth Card pitcher, with two out in the last of the ninth. Martin walked Jackie Robinson but made Gil Hodges hit into a force play to end the game.

Once again Stan Musial was the big man in the Card attack, coming

Indians Cut Yanks Lead To 3 Games With 4-2 Victory

New York, July 25.—(AP)—The Cleveland Indians defeated the New York Yankees 4-2, tonight, to cut the Bronx Bombers' first place lead in the American league race to three games. Early Wynn, with the help of Satchel Paige in the eighth, bested Vic Raschi before a paid attendance of 71,354.

Left fielder Dale Mitchell was the batting star for the Indians, driving in Cleveland's first run with a long liner to center, and scoring the second run after belting a tremendous triple to left center.

What proved to be the winning runs, however, resulted from a passed ball and a wild pitch. After Mickey Vernon had brought in Mitchell from third with a long fly in the fifth, Yankee catcher Gus Niarhos allowed a pitch by Raschi to get away from him and Thurman Tucker scored all the way from second.

In the eighth, Manager Lou Boudreau singled, was sacrificed to second, moved to third on an infield out, and scored when Raschi uncorked a wild pitch.

It took two singles and a double to provide the Yankees with their first run in the third. George Starnweiss followed a single by Raschi with another one, but Raschi was caught trying to get back to second after rounding the bag too far. Phil Rizzuto then doubled to score Starnweiss.

The Yankees tallied again in the eighth and sent Wynn to the showers. Rizzuto and Tommy Henrich singled, with the little shortstop racing to third. Paige relieved Wynn at this point and retired the next three men in order, with Rizzuto crossing the plate on Joe DiMaggio's fly.

Bobby Locke Is Banned From U. S. Golf Tournaments

St. Paul, Minn., July 25.—(AP)—Bobby Locke, the British open champion, was scratched today from major golf tournaments in the United States.

The 32-year-old South African's blacklisting by the professional golf association came shortly after his belated withdrawal from the \$15,000 Inverness invitational golf matches at Toledo last Thursday.

It culminated a feud of long standing between Locke and American golf officials.

George S. Schneider, PGA tournament bureau manager, announced the disbarment with a statement that Locke "has on numerous occasions violated the PGA tournament regulations and the tournament players' agreement of the PGA of America which he signed."

Schneider said Locke's "entry will no longer be accepted in any PGA-sponsored event."

The root of the trouble, officials said, was ducking by Locke of appearances at tournaments and exhibitions.

In England, Locke declared: "as captain of the British PGA, I think I have had disgraceful treatment from the American PGA."

The ban forced Locke to cancel plans to appear in the Tam O'Shanter \$65,000 open at Chicago early next month.

Locke cancelled plane reservation to fly from England. He entered the Irish open to be played at Belfast July 27-28.

George S. May, promoter of the Tam O'Shanter event, commented on the Britisher's blacklisting, "they should have fired him long ago. If one of our American golfers walked out of a British tournament, he'd be banned right away."

Italy Beats France To Take European Davis Cup Round

Paris, July 25.—(AP)—Italy today won the European round of the Davis Cup tennis eliminations by conquering France, 3-2, in a bitterly fought series.

The honor of clinching Italy's first post-war victory went to Gianni Cucelli, their No. 1 player, who outdistanced Marcel Bernard, French ace, 6-3, 3-6, 4-6, 6-0, 6-1. Previously Robert Abdesslem, French No. 2 man, downed Marcello del Bello, 6-3, 6-4, 6-2, to square the match count at 2-1.

As a result of its victory, Italy will meet the winner of the American zone final between Australia and Mexico to decide who will challenge the United States for the cup.

The Australia-Mexico finals will be played July 29-31 at Wilmington Del. with the inter-zone final scheduled for Rye, N. Y., Aug. 12-14. The survivor will face the United States team at Forest Hills, N. Y., Aug. 26-28.

Bernard played brilliantly to win two of the first three sets but he came back after the intermission completely out of steam. He could not find the range from the net or baseline and the Italian had little trouble running out the match.

NEW PUSKIN BALLET

Moscow.—(AP)—The Soviet Union's newest ballet—"The Bronze Horseman"—has been successfully staged by theatres in Moscow and Leningrad.

It is based on Pushkin's poem of the statue in Leningrad of Peter the Great. It is a new production of the Bolshoi Theatre.

Implement Dealers Corral Okie Cowboys 7-4; Moose Nine Wins

Two Jacksonville softball teams racked up credible victories at the Southside park before an overflow crowd Sunday night.

The Implement Dealer club was honored and distinguished a few days ago when, by virtue of their fine season's record and because they are currently leading the "A" league, they were picked to oppose the much publicized Oklahoma Cowboy traveling show team.

The Dealers added a little more glory to an already overstocked supply when they staged a first-inning uprising to net five runs. Those five tallies aided the local "Easterners" to scalp the startled Cowboys 7-4. Even the fabled "Casey" as portrayed by Okie shortstop Glyn Brawley in the preliminary show, was unable to stop the early local onslaught.

Five Dealer hits, one of them an inside the park home run by Al Angelo knocked the visitors off their toes and back on their heels in the surprising first frame. Two Cowboy errors were a definite contrib-

Moose Baseballers Notch 10th League Win Here Sunday

Lefty George Dunham spun five-hit ball as the Jacksonville Moose baseball club notched Ivy League win number 10 by clipping the tail-end Smithfield nine 4-2 on the Illinois College diamond Sunday afternoon.

Dunham whiffed 10 Smithfield batters as he racked up his first win for the Moose outfit.

The local team travels to Havana this evening where they tangle with Kilbourne in the first game of a state play-off series under the lights.

El Trebol Takes Inter-American Polo Crown

Chicago, July 25.—(AP)—The El Trebol polo club, Argentine champions, comes close to being the most invincible sports team in years.

The methodical quartet, skippered by the great Carlos Menditeguy, won the Inter-American championship at Oak Brook yesterday with a 9-5 decision over the U. S. All-Stars. The victory stretched the undefeated El Trebol's winning string through 134 consecutive games.

El Trebol took the opening game of the best-of-three series a week ago 10-8 after a last half rally. The Argentinians had an easier time yesterday.

Captain Menditeguy consistently outrode and outshot the U. S. players, setting up most of the goals with skillful passes. He personally scored in the first and last Chukkers.

Pars Hole With Tricky Roof Shot

Madison, Ind., July 25.—(AP)—The next time your golfing opponent claims an unpayable lie, tell him about this:

Lee Pearson's second shot on the 18th hole landed atop the Madison Country Club's two-story clubhouse yesterday.

Pearson got a ladder, climbed to the roof, chipped some trees onto the green—and holed a five-foot putt for a par four.

His 18-hole total was 88, good for only the third flight in the club tournament for which he was attempting to qualify.

The iron and steel in the average automobile weigh about 2,600 pounds.

HALF OF MORMONS LIVE IN UTAH

Salt Lake City.—(AP)—The latter-day Saints (Mormon) church lists a membership of more than 1,040,000. Slightly less than one-half the total lives in Utah.

GOLFING KNOW-HOW

After a week's absence, instructor Munk returns to tell aspiring golfers all about hand-attack.

As most of the force in a golf swing comes from the right hand action, an important consideration is to get the right hand into a good hitting position at the top of the back-swing. This is largely a matter of feeling that the right hand is in a powerful hitting position.

Most players swing too upright with the hands going out and up; whereas more power can be developed by bringing the hands around the body more with the right hand under the club at the top of the back-swing as though carrying a tray.

The left hand should not open, but should keep full control of the club. Think about drawing the right hand back to a natural position to swing from—the same as you would when casting a line, throwing a baseball or pitching a penny.

Pinch Hitter Bats All Way Around

Los Angeles, July 25.—(AP)—The statistician thumbed the book today and said he couldn't find a record of it happening before:

Joe Marty's pinch home run against San Diego Sunday took him all way around the diamond during July in his pinch hitter's role. Here's how the Sacramento outfielder did it.

On July 1, he hit a pinch triple against Portland; on July 7 a pinch single against Seattle; on July 21 a pinch double against San Diego.

Marty's batting average is .313.

Pars Hole With Tricky Roof Shot

Madison, Ind., July 25.—(AP)—The next time your golfing opponent claims an unpayable lie, tell him about this:

Lee Pearson's second shot on the 18th hole landed atop the Madison Country Club's two-story clubhouse yesterday.

Pearson got a ladder, climbed to the roof, chipped some trees onto the green—and holed a five-foot putt for a par four.

His 18-hole total was 88, good for only the third flight in the club tournament for which he was attempting to qualify.

The iron and steel in the average automobile weigh about 2,600 pounds.

Award Caldwell Co. Contract To Build Causeway At Park

The Caldwell Engineering Co. was awarded the contract for rebuilding the causeway across Morgan lake at Nichols park by the council at its Monday night session. Members of the park board evaluated two bids after they were opened by the council, finding the Caldwell proposal to be the lowest and recommending that it be accepted.

The bid of the Caldwell Co. was evaluated at \$16,350 and the bid of A. W. Brunk at \$16,285, with the Caldwell Co. stating in a letter that it would absorb the engineering costs if awarded the contract.

July Home Bureau Meeting Held At Eggenberger Home

The Jacksonville evening unit of Home Bureau held its July meeting at the home of Mrs. Clarence Eggenberger on Sunset Hill. Mrs. Marvin Schuetz was co-hostess and Mrs. Harry Merriman, acting chairman.

Beth and Greg Rittenhouse, house guests of Mrs. Eggenberger, registered members and guests. The hostess conducted the group on a tour of her new ranch style home, after which dessert was served from a table with appointments portraying picnic scenes and activities in miniature.

Members voted on the refreshments and decorations at to appearance, economy, originality, palatability and appropriateness for the prize of the year.

Mrs. Estelle Maurer presented an illustrated lesson on summer meal planning, describing the importance of vitamin content, and suitability for all needs of the members of the household, regardless of age or occupation.

Mrs. D. M. Spotts gave a demonstration on the making of chair slip covers, actually cutting and fitting materials to a chair. She emphasized such essentials as choice of materials, types of chairs, the hazard of stripes and tailoring with cord and binding. A lively interest was displayed in both lessons.

Guests were: Rama Harney, Mrs. Claude Jewsbury, Mrs. H. P. Joy, Helen McCarthy, Mrs. Esther Servoss, Mrs. Clyde Landreth, Beth and Greg Rittenhouse and Ronda Hemphill.

The unit voted to dispense with the August meeting and will have its next session in September, with Mrs. H. C. Merriman and Mrs. Homer Massey as hostesses.

French To Study American Farming

Washington, July 25 —(P)—Two French farm experts today began a four-month study of American agricultural operations under sponsorship of the economic cooperation administration.

The pair, Jean Sarve and Regis Riviere, will survey farm mechanization for the French government.

The tour will take them to Purdue University, Lafayette, Ind.; the Allis-Chalmers Co., Milwaukee, Wis.; University of Illinois, Urbana; International Harvester Co., Chicago; John Deere Co., Moline, Ill.; and Iowa State College, Ames.

RETURNS HOME

Mrs. Julia Palasky has returned to her home in St. Louis, Mo., following a visit at the home of Mrs. Mary Standley, 280 Sandusky street, and other friends in the city.

Funeral Services

Mrs. Julius Schumann
Carrollton—Funeral services for Mrs. Julius Schumann will be held Thursday at 9 a. m. at St. John's church in Carrollton, with Rev. Father Edward Kolaski officiating. Burial will be in St. John's cemetery.

The body is at the Mehl Funeral Home.

Ladies OF THE MOOSE

Chapter 1979 Family Picnic Tues. Nichols Park. Chartered Bus on Express at 6 P.M.

R. Cunningham, 23, Of Greenfield Dies In Missouri

Greenfield—Robert Dean Cunningham, 23, passed away Monday at 5:30 a. m. in veterans hospital, Jefferson Barracks, Mo., where he had been a patient since June 27.

Son of Elmer and Helen Linker Cunningham, the deceased was born near Greenfield July 7, 1926. A graduate of the local community high school, he enlisted in the U. S. Army—an. 1, 1944, and received an honorable discharge Sept. 1, 1946.

On March 31, 1947, at Carrollton, he married Virginia Thaxton, who survives. Besides his wife and parents, Mr. Cunningham also leaves two daughters, Joan Laverne, 18 months, and Kathleen Kay, 7 months; two brothers, Donald and Clarence; a sister, Mary; and grandmother, Mrs. Alice Cunningham, all of Greenfield.

The body was brought to Shields Funeral Home in Greenfield, where it will remain until the hour of the funeral service.

Rites will be held Wednesday at 2:30 p. m. at the local Methodist church, Rev. Don P. Hawkins of the Baptist Church and Rev. George O. Mayo of Methodist church will officiate. Interment will be in Hickory Grove cemetery near Wrights, with the local American Legion in charge.

John Agger, chairman of the park board, who with other members inspected the bids, said the engineering fees amounted to \$1628.50, which would be deducted from the general bid by the Caldwell company.

Both bids were opened and read by Engineer Kenneth Stapleton, after which Mayor Hoagland referred them to the park board, which adjourned to the clerk's office to evaluate the proposals. Returning to the council chamber some time later, the park board made its recommendation. The council awarded the contract on motion of Baker, seconded by Alderman Reid.

Plan 26 Foot Roadway
Specifications call for five foot sidewalks and a 26 foot roadway across the causeway, which will be rebuilt to connect the north and south areas of the park. The big causeway and bridge have been closed to automobile traffic nearly two years since they sagged out of shape. Funds for the job were authorized by the voters at a special bond issue election last May.

An ordinance levying taxes for general corporate purposes for the present year was given second reading and adopted. The lengthy ordinance was read by City Attorney Pay, after which councilmen voted its passage.

Pointing out that the city has not bought any fire hose for the past three years, Alderman Reid recommended the purchase of 5550 feet of new hose at a cost of \$750, and the purchase of 50 feet of booster hose for \$75. The fire committee was authorized to buy the hose on motion of Alderman Chumley, seconded by Alderman Hamline.

City Dump Open To 6 p. m.
Alderman Brune of the health committee announced that the hours have been changed for operation of the city dump north of the city, to accommodate citizens who might have rubbish to dispose of. The dump has been closing at 5 p. m., but will remain open until 6 p. m. during the remainder of the summer.

Alderman Kelly of the highway committee announced that a bid was opened Monday afternoon for material for maintenance of arterial streets, the Illinois Road Builders bidding \$1,302.80 for oil and \$2,242.30 for gravel. The contract was awarded on motion of Alderman Chumley, seconded by Alderman Brune.

May Widen Diamond Street
Plans for widening North Diamond street from the Wabash railroad to State Route 104 were explained by Alderman Kelly, who said the project has been approved under the arterial street improvement program. The removal of several trees will be necessary in this work.

Lightning caused considerable damage to the water filtration plant a few nights ago, Alderman Hamline told the council. He said one motor was damaged, and that a claim has been filed with an insurance company.

On motion of Alderman Hamline, with a second by Alderman Kelly, an ordinance confirming with modifications a contract with Passavant Memorial hospital to lay sewer and water connections to its new building site, was read by City Attorney Pay.

The amended ordinance provides for construction of the mains on the south side of State Route 104 instead of on the north side. The water main will be six inches, and the sewer 18 inches.

An emergency clause was adopted on motions of Alderman Reid and Flynn. The ordinance then passed on motions of Alderman Hamline and Chumley.

Alderman Kelly reported that Howard Means has secured a boat with a view of starting passenger excursion service on Lake Mauvais, near the vicinity of Vandallia Road. A motion introduced by Alderman Baker and Reid, authorizing the council to enter into an agreement with Mr. Means for boat service, was passed by the council.

12 Local Boys To Be At YMCA Camp For 10 Days

Twelve Jacksonville boys are attending Y. M. C. A. Camp Seymour for ten-day camping period which began Sunday.

The local Y. M. C. A. is sharing this camp period with the Champaign and Bloomington associations. Bert Jackson of Bloomington, boy's work secretary, is in charge.

A program of sports, handicrafts, nature lore and aquatics has been planned.

Friends and relatives of the campers may visit with them Sunday afternoon. The camp will close on Wednesday, August 3.

The Jacksonville youths who are attending are Neal Bullington, Myron Hamney, John Klump, Danny Moy, Ronald McNear, Dean Perkins, Francis Robson, Gerald Samples, Worth Schumacher, Michael Whelan, Charles Williamson, Jr., and James Williamson.

Annual Arenzville Flower Show Will Be Held Saturday

Arenzville—The annual flower show, sponsored by the Arenzville Senior Woman's club, will be held Saturday in the Legion hall.

All entries must be registered by 2 p. m.

The club will serve a ham supper also in the hall in connection with the show. Serving will begin at 5 p. m.

Mr. and Mrs. John Waddell have returned from a trip to Chicago, where they attended the Railroad Fair and the Shrine parade.

Miss Helen Thomas and Miss Rosalie Wessler returned Sunday to Peoria to resume their studies as student nurses at the Methodist hospital. The girls spent a two week's vacation with relatives here.

Mr. and Mrs. John Dyche, Virgil Long and Albert Pritsch visited recently in Kinderhook with Mr. and Mrs. Wilbur Davis.

Hold State Must Pay Flat Grants In Full To Schools

Springfield, Ill., July 25 —(P)—The Illinois attorney general held today the state must pay flat grants in full and cut its equalization aid to school districts.

If the ruling stands, in the face of expected court tests, it will mean all public grade and high schools will get at least as much state help as two years ago.

It also will mean that districts qualifying for equalization will get more than before but not as much of an increase had flat grants been ordered trimmed.

The state is expected to pay about 90 per cent of the full equalization claims.

Flat grants of \$22 for each grade school pupil and \$19 per high school pupil go to all districts. Equalization is received by poorer schools whose flat grants and a qualifying local tax rate does not bring them up to \$120 per pupil this year and \$160 next year.

Reports Humid Weather In Nation Will Last 3 Days

Chicago, July 25 —(P)—Millions of Americans sweltering in seasonable midsummer heat today.

And it looks like most of the nation will be hot and humid for at least three days more.

The weather bureau at Chicago said the current humid weather was rolling from the Rock mountains to the east coast. It forecast nothing to stop it until Thursday.

Coolest winds from the Pacific Ocean kept the mercury down along the west coast and into the Rockies. It was comparatively cool in New England and the upper regions of Wisconsin, Michigan and Minnesota, where light rains fell.

New Yorkers got a brief spell of darkness early in the day when a smog-like blanket moved over Manhattan. The weather bureau there said the phenomenon was caused by a flow of very moist, warm air mass. Accompanying showers and thunder soon passed and it got hot again.

RETURNS FROM MT. VERNON

Mr. and Mrs. Howard Leffler, Jr., have returned from Mt. Vernon, Ill., where they visited with Mr. Leffler's mother, Mrs. Floyd Leffler, who is at Good Samaritan hospital. A surgical patient, Mrs. Leffler is slowly improving.

France has one doctor to every 1596 persons.

ANNUAL PICNIC

Woodson American Legion picnic July 27. Radio stars from K. M. O. X. Skeels, Frankie, Bob Hastings, Tommy Watson and others. Round and square dancing. Music by the White Hall orchestra.

HOBBYIST AND WORKER

A Pike county 4-H youngster surrounded his companions last week by spending much of his leisure time hauling gravel. He filled up low spots in the paths and surfaced approaches to tent sites.

Donald Ranft of Detroit was mixing fun and improvement. He's interested in stone pieces left by the Indians of this area. While working he found two Indian beads, pierced, ornamented cylinders. One was about a half-inch in length, the other three times as long.

Donald is the son of Mr. and Mrs. Julian Ranft, farmers residing south of Detroit. He attends Milton grade school. He's mighty enthusiastic about the western Illinois 4-H camp on Lake Jacksonville, but can see plenty of room for improving the camp installation.

The camp will close the season tomorrow. Five day camping periods are contemplated next year. The 4-H clubs in this section plan money-raising projects this fall and winter to provide funds for the enlargement and betterment of the camp.

Fishing Rodeo To Be Held For Youngsters

Young fishermen in the vicinity will soon get their chance to prove their worth. The Jacksonville Junior Chamber of Commerce is going to sponsor a fishing rodeo at Nichols park, the only prerequisite that the fishermen be under 18 years of age.

Though plans aren't complete, Dr. Henry Dolear, chairman of the rodeo, says that prizes will be given for several classifications of winners. These prizes will probably include awards for longest fish, heaviest fish, and on down the line. Full details on the rodeo will be announced in the near future.

Though sponsored locally by the Jay Cees, the fishing rodeo for the younger generation is a special project of Better Fishing, Inc., Chicago. The corporation will also offer a prize.

The Illinois Department of Conservation is in full accord with the rodeo and has agreed to furnish fish if necessary. Whether fish will be necessary is a matter over which Nichols park fishermen are in disagreement.

Also planned by the Jay Cees is a club golf tournament to be held at the Virginia country club in the near future.

Mrs. Arthur Barth Dies; Will Hold Mercedosa Rites

Funeral services for Mrs. Arthur Barth who died Monday morning at Our Saviour's hospital, will be held Wednesday at 2 p. m. at the family residence in Mercedosa and at 2:30 p. m. at the Mercedosa Baptist church.

Rev. Ernest Dawdy will officiate, with burial in Oakland cemetery at Mercedosa.

Mrs. Barth is survived by her husband, whom she married on Dec. 27, 1921; six children, Earl Gregory, Wilbur, Dorothy, Arthur, Bobby Joe and Leonard Lee; three brothers, Everett, Raymond and Woodrow Gregory; and one sister, Mrs. Ida Floyd.

The body is at the Shaefer Funeral Home in Mercedosa and will be taken to the family residence at 4 p. m. Tuesday.

A flying tackle by a fleet-footed shoe salesman downed one of the fleeing bandits after the bullet missed him.

The salesman, William Van Zandt, 26, of Jackson Heights, N.Y., was a passerby who snaked his way through the crowd as he joined in the chase.

The second man was seized by a patrolman near the front of the jewelry shop. He was said to be armed.

Says US Population Over 149,000,000

Washington, July 25 —(P)—The United States population has passed the 149,000,000 mark, census bureau figures indicated today.

The bureau estimated that the population, increasing by nearly 200,000 a month in the first half of 1949, totaled 149,002,000 on June 1. No later figures were given but the rate of increase indicated that the population is now well over 149,000,000.

Since the last census on April 1, 1940, there has been a 13.1 per cent increase in population.

Production Drops For 7th Straight Month In America

Washington, July 25 —(P)—Industrial production dropped in June for the seventh consecutive month, the federal reserve board reported today.

Many economists here think output will prove still lower this month—and take an autumn upturn.

June production, as measured by the reserve board's seasonally adjusted index, was about three per cent under the previous month, 13 per cent under last November's peak, and 12 per cent under June of 1948.

The index figure for June was 169 per cent of the 1935-39 monthly average (meaning 69 per cent above 1935). In May it had been 174, last November 195, and in June of last year 192. Not since May, 1946, had it been as low as in last month.

The output of industries manufacturing non-durable goods went down in June to about 10 per cent from the November peak level. Output of durable goods industries was down 15 per cent from that time; the turnout at the mines was off 16 per cent.

Mrs. Effie Waltrip Of Wrights Dies Following Illness

Mrs. Effie Waltrip, wife of the late Charles Waltrip, died Sunday at 11:36 p. m. in her home near Wrights following an illness of several months. She was 66 years of age.

The daughter of Mr. and Mrs. Thomas Stone, she was born July 8, 1883, east of Carrollton.

She is survived by seven children: Mrs. Harold Lee of Donnellson, Ill.; Elmer of Greenfield; Wilmer and Lewis of White Hall; Elwood of Carrollton; Mrs. Roy Smith of Alton; and Mrs. John Mann of Wrights.

She also leaves a sister, Mrs. Lola McCluskey of Springfield; and five brothers, Clay Stone of Alton; Andrew Stone of Santa Monica, Calif.; Leo and Abraham of Jacksonville; and George of Springfield.

Her husband preceded her in death in 1946.

The body is at the Mackey Funeral Home in Roodhouse. Funeral services will be conducted Wednesday afternoon at 2 o'clock at the Wrights church with Rev. Henry Spencer officiating.

Burial will be in Hickory Grove cemetery near Wrights.

Newly Formed Unit Will Meet Fourth Thursday In Month

White Hall—At the meeting recently at the home of Mrs. William Brown, Jr., with Miss Sophia Powell, county home advisor in charge, it was decided that the newly formed night unit will meet on the fourth Thursday of each month.

The group will meet with Mrs. Brown next Thursday night to complete plans for the unit. All interested in joining this group as new members or as transfer members from the already formed club are invited to attend.

Mr. Edmond Davis of Denver, Colo., visited friends in White Hall several days this week.

Mr. and Mrs. Archie James of Kalamazoo, Mich., visited recently at the homes of their parents, Mr. and Mrs. James Rochester and Mr. and Mrs. E. C. Meyer.

Mr. and Mrs. C. J. Knapp and Vin Baker, of Houston, Tex., and Nellie Jones of Port Arthur, Tex., visited in the home of Mrs. Melvin Watt.

Five members of the Happy Days 4-H club of White Hall received blue ribbons, four received red ribbons, and two white ribbons in the achievement day held recently at the Baptist church in Carrollton.

Delores Bruce of Denver, Colo., who recently visited Mr. and Mrs. A. E. Wittmann, has gone to Chicago where she will make her home with Mr. and Mrs. Leo Mathre.

The July and August meetings of the Day unit of the White Hall September meeting will be at Home Bureau have been cancelled, the home of Mrs. John Nesce.

Alvin W. Edson, Former Resident Here, Passes Away

Alvin W. Edson, former resident of this city, and for 20 years a resident of Galesburg, died Sunday afternoon at 3:30 o'clock in that city.

Mr. Edson was an employee of the Jacksonville Journal Courier for several years. Leaving here he located in Beardstown and was employed in the dispatcher's office of the C. B. & Q., where he worked for many years, before going to Galesburg.

Surviving are his wife, the former Julia Kelly of Beardstown, and one son, Werner Edson of Milwaukee, Wisconsin. Mr. Edson's parents died some years ago.

Funeral services will be held Wednesday in Galesburg.

Burial will be in Beardstown.

2 Chandlerville Boys Injured In Auto Accident

Two Chandlerville young men were injured when the car in which they were riding left the highway and overturned one fourth mile west of Pleasant Plains at 10 p. m. Sunday.

Taken to St. John's hospital at Springfield were John Young, 19, a sailor home on leave, and driver of the car who suffered a laceration over the right eye, a right waist injury and abrasions over the left ear, and Leonard McCormick, 22, who received a serious chest injury. Delbert Gerdes, 21, a third passenger in the car, was uninjured. Both hospitalized men were resting comfortably Monday night.

Young said he swerved his machine to avoid another car and the auto left the roadway and rolled over twice.

British Trainmen, Miners Threaten To Walk Out Soon

London, July 25 —(P)—Britain's labor government was harassed by strike threats in the state-owned coal mines and railways today, just as London dockers ended their month-long walkout.

Prime Minister Attlee called his cabinet into session twice during the day to ponder ways of averting new rail and mine strikes which would cripple the government's fight to beat the economic crisis.

Delegates representing the country's 400,000 railway workers voted to postpone action on a proposed slowdown until their spokesmen meet with labor Minister George Isaacs tomorrow on pay raise demands.

Railwaymen in Manchester have been on a slowdown for two weeks, and one London freight station voted to join them tonight.

Like the coal mines, Britain's railways have been put under public ownership.

State Bond Quota Greatly Exceeded

Chicago, July 25 —(P)—Illinois went far over its \$89,000,000 quota for "E" savings bonds in the "opportunity" campaign which ended June 30, treasurer officials said today.

Sales totaled \$119,469,967, or 134.2 per cent of the quota, officials said. Schuyler county, with a \$61,000 quota, had sales of \$150,386 or 246.5 per cent of its quota.

More than one billion tons of steel are said to be in use in America today.

The first blast furnace was built in 1792 in what was destined to become the steel center of Pittsburgh.

Rarest element detected in the tissues of mammals is radium, with about 23 atoms per cell, according to the Encyclopedia Britannica.

High School Students Here For Convention Of Christian Youth

A group of seventy-five high school students, representatives of 25 Illinois cities, arrived in Jacksonville Sunday afternoon for the 10th annual youth conference of the Disciples of Christ of the Christian church. The conference, which will be in progress through Saturday is being held at the Illinois School for the Deaf.

The conference sessions are directed by O. T. Mattox of the First Christian church at Bloomington, executive state director of religious education, and Rev. M. A. Warren of the Centennial Christian church at Bloomington, local director, and are presided over by a faculty composed of eleven men and six women.

Training On New Basis
The week's work in training the young people for church leadership is conducted on a new basis this year. This new pattern is built on five committees: enlistment, service, worship, recreation and study.

The student's morning is divided into regular class periods, and accredited work accomplished in each. Classes are offered in the Bible, the Life of Christ, study of the Prophets, home and foreign missions, devotions, hymns as an aid to worship, and other work pertaining to the church.

The afternoon sessions are devoted to recreation and vespers services. Programs are held in the evening. The public is invited to attend these services.

West Central District
Students at the conference are delegates of the west central district, one of seven in the state. The district is composed of cities bounded roughly by Quincy, Litchfield, Macon and Springfield.

Members of the faculty are Rev. W. W. Williams of Roodhouse; W. D. Peterson of Cuba; Mrs. C. E. Cummings of Pittsfield; Rev. Carl Wilkins of Chicago Heights; Charles Perkins of Springfield; Mrs. Clyde Mosher of Cuba; Dean of Women; Mrs. L. P. Jaggard of Iowa City; Miss Gail Brown and Miss Bonny Clink of Bloomington; Miss Barbara Markland of Armstrong; E. P. Schiack of Barry; Rev. G. L. Widmann of Quincy; Rev. C. R. Harrison of Bloomington; and Rev. Frank Merrick of Sandoval.

Members of Jacksonville Christian church attending the conference are Barbara Black, Shirley Reed, and Delores Reynolds.

Final Rites For Peter Birdsall Are Held Monday

Final rites for Peter Birdsall were held Monday at 2:30 p. m. at the Cody and Son Memorial Home, with Rev. Leslie G. Heuston officiating.

Music was furnished by William Erwin, accompanied at the organ by Mrs. G. O. Webster.

The pallbearers were Ruly York, Paul Reid, Harry Bray, Ben Cully, Russell Fairfield and Thomas Butler.

Interment was in Ebenezer cemetery.

Robert Bangert, Naples, Feted On Birthday Sunday

Naples—Robert Bangert was guest of honor Sunday at a birthday party at his home.

Those present were: Mr. and Mrs. Gerald Boling and children, Larry and Donna, of Adams; Mr. and Mrs. Henry Marshall and daughter, Kay, of Liberty.

Mr. and Mrs. Walter Bangert and son, Jim, and Mrs. Mrs. Hubert Kestner, of Clayton; Mr. and Mrs. Eldren Echtenkant of Columbus and Mr. and Mrs. Robert Bangert and children, Gary and Bonnie Jean.

Mr. and Mrs. Wendell Brackett, Mr. and Mrs. Paul Miller and Mrs. Minnie Hatch recently attended the Municipal opera in St. Louis.

Mrs. Leo Smith and Mrs. George Krusa, accompanied by their father, William Meyers of Bluffs, attended funeral services Saturday in Beardstown for their cousin, Harry Kalkemeyer.

Mrs. A. M. Keener returned home Friday from Passavant hospital.

William Vanlier of Decatur, who has been visiting with his daughter and son-in-law, Mr. and Mrs. Oliver Chambers, has returned home.

Funeral Services For Harve Sallee Held At Virginia

Virginia — Funeral services for Harve H. Sallee a lifelong resident of this community were held in the Massie Funeral Home on Monday at 2:30 p. m. Mr. Sallee passed away at the White convalescent home in this city Saturday morning.

Pallbearers were E. C. Mills, Thomas Stanball, Harold Noelsch, Fred Sutherland, Mart Maslin, and Pete Carlson. Miss Iva Lancaster arranged the floral tributes.

Rev. H. F. Higgins of the Virginia Methodist church officiated and interment was made in Walnut Ridge cemetery.

Mrs. Beck Tells Life Story In Try To Escape 'Chair'

New York, July 25 —(P)— Mrs. Martha Beck today told a life story of sordid love and family conflicts in her efforts to escape the electric chair on a lonely hearts murder charge.

At the same time, she said she didn't know whether she committed the slaying with which she is charged.

The 200-pound, 29-year-old defendant testified at her own request in her first-degree murder trial for the killing of Mrs. Janet Fay, 66, Albany, N. Y., widow.

She held her head high and spoke in a soft voice as she testified before Supreme Justice Ferdinand Pecora and a Bronx jury.

Before she took the stand she kissed her co-defendant, Raymond Fernandez, 34. Both are charged with the killing of Mrs. Fay at Valley Stream, N. Y., last Jan. 4, as part of an alleged scheme to bilk lonely widows.

When her name was called, Mrs. Beck walked briskly to the stand.

"Did you kill Mrs. Fay?" Herbert E. Rosenberg, her counsel, asked as his first question.

"I don't know," she replied.

Idaho had no law courts and no law except that of the Indian tribes before 1860.

Puerto Rico is the smallest and easternmost island of the Greater Antilles.
